## Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholder of Mizuho Securities Canada Inc.

### Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Mizuho Securities Canada Inc. (the Company) as of March 31, 2023 and the related notes (the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company at March 31, 2023, in conformity with U.S. generally accepted accounting principles.

### Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

*Ernst & Young LLP*

We have served as the Company's auditor since 2020.

## **Notes to Statement of Financial Condition**

*(In Thousands of U.S. dollars)*

### **1. Organization and Description of Business**

Mizuho Securities Canada Inc. (the “Company”) is a wholly-owned subsidiary of Mizuho Securities USA LLC (“MSUSA”). The Company participates in debt and equity underwritings in the Canadian marketplace. The Company’s functional currency is the Canadian dollar (“CAD”). The Statement of Financial Condition is presented in U.S. dollars (“\$” or “USD”).

The Company is a corporation organized under the laws of British Columbia, Canada. The Company is also a registered broker-dealer with the Securities Exchange Commission (“SEC”), and is a member of the U.S. Financial Industry Regulatory Authority (“FINRA”) and the New Self-Regulatory Organization of Canada (“New SRO”), the Canadian national self-regulatory organization, and is subject to the rules and regulations of these organizations.

MSUSA is a U.S. limited liability company and is registered as a broker-dealer with the SEC and as a futures commission merchant with the U.S. Commodity Futures Trading Commission (“CFTC”). MSUSA is a wholly-owned subsidiary of Mizuho Americas LLC (“MHA”). MHA is a bank holding company, which is ultimately wholly-owned by Mizuho Financial Group, Inc. (“MHFG”). MHFG is a holding company listed on the Tokyo, Osaka, and New York Stock Exchanges that provides comprehensive financial services through its subsidiaries.

### **2. Summary of Significant Accounting Policies**

#### *Basis of presentation*

The Statement of Financial Condition is presented in accordance with U.S. generally accepted accounting principles (“U.S. GAAP”).

#### *Use of estimates*

The preparation of the Statement of Financial Condition in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the Statement of Financial Condition . Actual results could differ from those estimates.

## **2. Summary of Significant Accounting Policies (continued)**

### ***Cash and cash equivalents***

The Company defines cash equivalents as highly-liquid investments with original maturities of three months or less at the time of purchase. The Company has no cash equivalents at March 31, 2023.

### ***Fair value measurements***

The Company reports certain assets and liabilities at fair value on the Statement of Financial Condition in accordance with ASC 820, *Fair Value Measurements and Disclosures* (“ASC 820”). The Company has made no elections under the “Fair Value Option” in accordance with ASC 825, *Financial Instruments* (“ASC 825”), which allows the Company to irrevocably elect fair value as the initial and subsequent measurement attribute for most financial assets and liabilities on an instrument-by-instrument basis.

### ***Credit Losses***

The Company accounts for estimated credit losses in accordance with ASC 326-20, *Financial Instruments – Credit Losses* (“ASC 326”). ASC 326 requires the Company to estimate expected credit losses on financial assets measured at amortized cost over the life of its financial assets and certain off-balance sheet exposures as of the reporting date based on relevant information about past events, current conditions, and reasonable and supportable forecasts.

### ***Investment banking***

Investment banking includes fees earned from debt and equity underwriting. The Company accounts for the fees earned from debt underwriting in accordance with ASC 606, *Revenue from Contracts with Customers* (“ASC 606”). The Company acts as an underwriter and earns revenue, which can include management fees, sales concessions, and underwriting fees. ASC 606 prescribes that fee revenue relating to underwriting commitments is recognized when all significant items relating to the underwriting cycle have been completed and the amount of the underwriting revenue has been determined. Generally, this would occur on trade date, when the deal is launched into the primary market. Investment banking revenues are presented gross of transaction related expenses and are recognized when the Company satisfies the performance obligations.

Investment banking fees receivable of \$101 at March 31, 2023 is reported in receivables from broker dealers and clearing organizations on the Statement of Financial Condition.

# Mizuho Securities Canada Inc.

## Notes to Statement of Financial Condition (continued)

*(In Thousands of U.S. dollars)*

### 2. Summary of Significant Accounting Policies (continued)

#### *Income taxes*

The Company accounts for income taxes in accordance with ASC 740, *Income Taxes* (“ASC 740”). ASC 740 prescribes the method to account for uncertainty in income tax positions taken or expected to be taken in a tax return by applying a “more likely than not” (“MLTN”) criteria as to whether a tax position will be sustained upon examination, based on the technical merits of the position. Accordingly, the Company assesses this likelihood based on the facts, circumstances, and information available at the end of each period. A tax position that meets the MLTN recognition threshold is measured initially and subsequently as the largest amount of tax benefit that will likely be realized upon settlement with a taxing authority that has full knowledge of all the relevant information. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. Deferred tax expenses or benefits are recognized in the Statement of Financial Condition at amounts expected to be realized for the changes in deferred tax liabilities (“DTLs”) or assets (“DTAs”) between years. The Company recognizes the current and deferred tax consequences of all transactions in the Statement of Financial Condition using the provisions of the currently enacted tax laws.

#### *Foreign exchange*

Assets and liabilities denominated in non-CAD currencies are revalued into CAD equivalents using the spot foreign exchange rates at the date of the Statement of Financial Condition.

For the purposes of preparing the Statement of Financial Condition, the Company translates its balances into USD in accordance with the rules prescribed in ASC 830, *Foreign Currency Matters*.

### 3. Related Party Transactions

In the normal course of business, the Company enters into transactions with affiliated companies for shared personnel and outsourced management services.

MSUSA and Mizuho Bank Ltd. Canada Branch (“MHBK Canada Branch”) provide managerial and support services to the Company and charge fees pursuant to Service Level Agreements, which are recorded in payables to affiliates on the Statement of Financial Condition.

## **Mizuho Securities Canada Inc.**

### **Notes to Statement of Financial Condition (continued)**

*(In Thousands of U.S. dollars)*

#### **4. Income Taxes**

The Company files U.S. Federal, state, local and Canadian income tax returns.

The difference between the Canadian tax rate and the effective tax rate is due to a full valuation allowance on the benefit from Canadian taxes partially offset by taxes paid in the US at the federal rate of 21%.

Deferred income taxes reflect the net tax effects of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. At March 31, 2023, the Company had \$164 of deferred tax assets, which related primarily to timing differences for net operating losses (“NOL”). The NOL carryforward balance of \$386 will expire at March 31, 2040. The Company has a valuation allowance of \$164, a decrease of \$10 from the prior year, which fully offsets the DTA as the Company believes it is more likely than not that the DTA will not be realized.

The Company had no unrecognized tax benefits at March 31, 2023. As of March 31, 2023, management does not believe that there were any positions for which it is reasonably possible that the total amount of unrecognized tax benefits will significantly change within the next 12 months. The Company’s income tax returns beginning with tax year ended March 31, 2020 remain subject to examination by the Internal Revenue Service for U.S. federal tax purposes, and the Canada Revenue Agency for Canadian tax purposes. The Company’s income tax returns beginning with tax year ended March 31, 2019 remain subject to examination by the state and local tax authorities.

#### **5. Risk Management**

Risk is an inherent part of the Company’s business and activities. The Company has established risk management policies and procedures to measure and monitor each of the various types of significant risks involved in its underwriting business. The Company’s ability to properly and effectively identify, assess, monitor, and manage its risk is critical to the overall execution of the Company’s strategy and its profitability.

Risk management at the Company requires independent Company-level oversight. Effective risk practices are carried out through constant communication, exercise of professional judgement, and knowledge of specialized products and markets. The Company’s senior management takes an active role in the identification, assessment, and management of risks at the Company level.

## Mizuho Securities Canada Inc.

### Notes to Statement of Financial Condition (continued)

*(In Thousands of U.S. dollars)*

#### 5. Risk Management (continued)

**Market Risk** – Market risk is the potential loss the Company may incur as a result of changes in the market value of a particular instrument. The Company manages market risk by economically hedging its exposure to risk factors if necessary. For the year ended March 31, 2023, there were no such contracts entered into or outstanding.

**Liquidity Risk** – Liquidity risk is the risk that an institution’s financial condition or overall safety and soundness is adversely affected by the inability, or perceived inability to meet its contractual, including contingent obligations. The Company’s potential risks remain that its liquidity, business activities and profitability may be adversely affected by inability to access the debt capital market and funds from its affiliates or to sell assets during periods of market-wide or firm-specific liquidity constraints. This situation may arise due to circumstances unrelated to its businesses such as current geopolitical or macroeconomic conditions and hence outside of its control. The objective of liquidity risk management is to maintain a sufficient amount of liquidity and diversity of funding sources to allow an institution to meet obligations in both stable and adverse conditions. The Company manages liquidity risk mainly through its Treasury function and has established policies and strategies to identify, manage and report on liquidity risk.

**Credit Risk** – Credit risk is the risk of loss resulting from a counterparty’s failure to meet its obligations. The Company is engaged in underwriting activities with counterparties primarily in the financial services industry. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk of loss. The risk of default mainly depends on the creditworthiness of the counterparty or issuer of the instrument. There was no credit risk that had a material impact on the Company’s Statement of Financial Condition.

**Operational Risk** – Operational risk is the risk of loss, whether direct or indirect, to which the Company is exposed due to inadequate or failed internal processes or systems, human error or misconduct, or external events. Operational risk includes legal and regulatory risk, business process and change risk, fiduciary or disclosure breaches, technology failure, cybersecurity, financial crime, and environmental risk, but excludes strategic and reputational risk. Operational risk, in some form exists in each of the Company’s business and support activities, and can result in financial loss, regulatory sanctions and damage to the Company’s reputation. There was no operational risk that had a material impact on the Company’s Statement of Financial Condition.

## **Mizuho Securities Canada Inc.**

### **Notes to Statement of Financial Condition (continued)**

*(In Thousands of U.S. dollars)*

#### **6. Commitments and Contingencies**

##### ***Underwriting Commitments***

In the normal course of business, the Company enters into underwriting commitments. There were no open commitments at March 31, 2023.

##### ***Litigation***

In accordance with the provisions of ASC 450, *Contingencies* (“ASC 450”), the Company accrues for a litigation-related liability when the assessed likelihood of realizing a future loss is probable and the amount of loss can be reasonably estimated. In applying these principles, the information available may indicate that the estimated amount of loss is within a range of amounts. When an amount within a range of loss is identified as the most likely result within the range, that amount is accrued by the Company. It is the opinion of management, after consultation with counsel, that there are no matters pending against the Company that could have a material adverse effect on the Company’s financial condition.

#### **8. Regulatory Requirements**

As a broker-dealer, the Company is subject to the SEC’s Uniform Net Capital Rule 15c3-1 of the Securities Exchange Act of 1934 (“Rule 15c3-1”), which requires the maintenance of minimum net capital in accordance with a formula set forth therein. The Company is required to maintain net capital, as defined, at the greater of \$100 or 6-2/3% of aggregate indebtedness under the Securities Exchange Act of 1934. At March 31, 2023, the Company had net capital of \$19,188, which was \$19,088 in excess of its \$100 requirement. The Company had no obligations under Rule 15c3-3 of the Securities Exchange Act of 1934 at March 31, 2023.

## **Mizuho Securities Canada Inc.**

### **Notes to Statement of Financial Condition (continued)**

*(In Thousands of U.S. dollars)*

#### **9. Subsequent Events**

Under the provisions of ASC 855, *Subsequent Events* (“ASC 855”), companies are required to evaluate events and transactions that occur after the balance sheet date but before the date the Statement of Financial Condition is issued, or available to be issued in the case of non-public entities. As such, the Company is required to evaluate and recognize in the Statement of Financial Condition the effect of all events or transactions that provide additional evidence of conditions that existed at the balance sheet date, including estimates inherent in the Statement of Financial Condition’s preparation.

The Company evaluated events subsequent to March 31, 2023 through May 18, 2023, the date on which the Statement of Financial Condition was available to be issued. There were no material recognizable or non-recognizable subsequent events during this period.
