# NOTES TO THE UNAUDITED CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD ENDED 30 SEPTEMBER 2019

#### 1. Basis of preparation

The unaudited condensed interim financial statements for the Bank have been prepared under the historical cost convention except for the following assets and liabilities that are stated at fair values: financial assets at fair value through other comprehensive income, financial assets and liabilities at fair value through profit or loss and derivative financial instruments.

The unaudited condensed interim financial statements have been prepared in accordance with MFRS 134 "Interim Financial Reporting" issued by the Malaysian Accounting Standards Board.

The unaudited condensed interim financial statements should be read in conjunction with the Bank's audited financial statements for the financial year ended 31 March 2019. The explanatory notes attached to the condensed interim financial statements provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the Bank since the financial year ended 31 March 2019.

The significant accounting policies and methods of computation applied by the Bank are consistent with those adopted in the most recent audited annual financial statements for the financial year ended 31 March 2019 except for adoption of the following new Malaysian Financial Reporting Standards ("MFRSs"), amendments to MFRSs, annual improvements to MFRSs and IC Interpretations which are effective for annual periods beginning on or after 1 January 2019:

i) MFRS 16	Leases
ii) IC Interpretation 23	Uncertainty over Income Tax Treatments
iii) Amendments to MFRS 9	Financial Instruments - Prepayment Features with Negative
	Compensation
iv) Amendments to MFRS 112	Income Taxes (Annual Improvements to MFRS Standards 2015 - 2017
	Cycle)
v) Amendments to MFRS 119	Employee Benefits - Plan Amendment, Curtailment or Settlement
vi) Amendments to MFRS 123	Borrowing Costs (Annual Improvements to MFRS Standards 2015 -
	2017 Cycle)

The adoption of the above new standards, amendments to published standards and interpretation are not expected to give rise to significant impact on the financial results of the Bank, except as mentioned below:

### **MFRS 16 Leases ("MFRS 16")**

MFRS 16 supersedes MFRS 117: *Leases* ("MFRS 117") and its related interpretations. Under MFRS 16, a lease is a contract (or part of a contract) that conveys the right to control the use of an identified asset for a period of time in exchange for consideration. MFRS 16 introduces a single accounting model for a lessee and eliminates the classification of leases by the lessee as either finance leases (on-balance sheet) or operating leases (off-balance sheet).

# NOTES TO THE UNAUDITED CONDENSED INTERIM FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD ENDED 30 SEPTEMBER 2019

#### 1. Basis of preparation (continued)

#### MFRS 16 Leases ("MFRS 16") (continued)

#### i) Lessee

At the commencement date of a lease, a lessee will recognise a lease liability to make lease payments and an asset representing the "right of use" of the underlying asset during the lease term. Subsequently, the "right of use" asset is depreciated in accordance with the principle in MFRS 116 'Property, Plant and Equipment' and the lease liability is accreted over time with interest expense recognised in the profit or loss.

#### ii) Lessor

Lessor accounting under MFRS 16 is substantially the same as the accounting under MFRS 117. Lessor will continue to classify all leases using the same classification principle as in MFRS 117 and distinguish between two types of leases: operating and finance leases.

The change in accounting policies has been applied retrospectively from 1 April 2019. In accordance with the transition requirements, comparatives are not restated.

#### 2. Auditors' report on preceding audited annual financial statements

The auditors' report on the audited annual financial statements for the financial year ended 31 March 2019 was not qualified.

#### 3. Seasonal or cyclical factors

The operations of the Bank were not materially affected by any seasonal or cyclical factors during the second quarter ended 30 September 2019.

#### 4. Unusual items due to their nature, size or incidence

There were no unusual items affecting the assets, liabilities, equity, net income or cash flows of the Bank during the second quarter ended 30 September 2019.

#### 5. Changes in estimates

#### 9. Review of performance

The Bank's profit before taxation for the financial period ended 30 September 2019 was RM55.4 million, representing a rise of 22.3% or RM10.1 million as compared to RM45.3 million in the previous corresponding period. Operating income improved 18.2% to RM98.23 million, where net interest income increased by RM6.1 million (or 11.2%) and non-interest income increased by RM9.0 million (or 31.2%) in the current financial period respectively. Operating expenses remained stable at RM39.84 million, a slight increase of 0.1% compared to the previous corresponding period.

Total assets increased from RM9.6 billion to RM13.8 billion as at 30 September 2019, representing an increase of 43.0% or RM4.2 billion mainly due to increase in cash and short-term funds, deposits and placements with financial institutions as well as loans, advances and financing. The Bank's Common Equity Tier 1 capital ratio and Total Capital Ratio remained strong at 23.827% and 24.913% respectively.

#### 10. Prospects

Considering the impact of global economic slowdown, potential further rate-cuts and the ongoing trade tensions between major economies, the Bank remains cautious in the face of an uncertain outlook for the global economy.

On the domestic front, the Malaysian economy is expected to grow by 4.7 percent in 2019 and 4.8 percent in 2020 amid external headwinds, underpinned by resilient domestic demand, particularly household spending following stable labor market and low inflation.

Amid the challenging business environment, the Bank will continue to focus on the fundamentals which include maintaining a sustainable earnings base, striving for operational excellence, compliance with local and global regulations whilst putting our customers at the centre.
