**Donation to support those affected by the Turkey-Syria earthquake**

Mizuho Financial Group, Inc. (President & CEO: Masahiro Kihara) offers its deepest sympathy to those affected by the Turkey-Syria earthquake, especially the families who have lost loved ones in the disaster. We also express our heartfelt admiration and appreciation to those working to provide on the ground support and aid as part of the disaster relief operations.

Mizuho is donating JPY 10 million to organizations providing relief within the impacted region. We hope the funds will help support the efforts of first responders and the long-term humanitarian work the recovery will require over the months to come. In addition to our corporate donation, we are encouraging employee donations, and will match these funds in offices where such an option is available.

Our thoughts are with the communities in the affected region, and we hope for the earliest possible recovery from this disaster.
