FOR GENERAL RELEASE

Establishment of Yangon Representative Office

Mizuho Corporate Bank, Ltd. (MHCB; Yasuhiro Sato, President & CEO) today established a representative office in Yangon, the Republic of the Union of Myanmar.

We expect that increasing numbers of companies will enter the Myanmar market going forward, as it is rich in natural resources and has a strong labor force. With a population of approximately 60 million, we also have strong expectations of Myanmar as a consumer market and we project further economic growth there as a member of ASEAN.

Through the establishment of a representative office in Yangon, MHCB will have a structure to collect and exchange information about Myanmar and thus enhance the ability of Mizuho Group companies including Mizuho Bank, Ltd. to support customers looking to enter or expand their business in the country.
