Partial Amendment to the Articles of Incorporation

Mizuho Financial Group, Inc. (the “Company”) hereby announces that, in the meeting of the Board of Directors held on May 13, 2011, it was resolved that “Partial Amendment to the Articles of Incorporation” be proposed at the ninth (9th) ordinary general meeting of shareholders and each of the general meetings of class shareholders.

Description

1. Partial Amendment to the Articles of Incorporation

The Company issued 6 billion shares of common stock (the total amount paid in was approximately JPY 751.6 billion) in July 2010, aimed at establishing a capital base as a cornerstone for our sustainable growth for the future, in anticipation of the revision of capital regulations. In addition, the total number of issued shares of common stock of the Company became approximately 21.78 billion shares as of March 31, 2011, due to progress with the conversion of the Eleventh Series Class XI Preferred Stock into common stock. As a result, the total number of shares of common stock that the Company is authorized to issue but remains unissued, which is calculated taking into account the number of dilutive shares concerning the further conversion, etc., of preferred stock (approximately 1.47 billion shares), is approximately 0.86 billion shares (the ratio thereof to the total number of shares of common stock that the Company is authorized to issue under the current Articles of Incorporation is approximately 3.6%).

The Company believes that, in order to secure the mobility and flexibility of management toward realization of our further sustainable growth for the future, the number of authorized shares that allow for issuance of a certain number of shares of common stock needs to be maintained. Furthermore, the Company needs to increase the number of authorized shares that will make the issuance of shares of common stock of the Company possible for the implementation of turning Mizuho Trust & Banking Co., Ltd., Mizuho Securities Co., Ltd. and Mizuho Investors Securities Co., Ltd. into wholly-owned subsidiaries by means of share exchanges, in which shares of common stock of the Company shall be the consideration, as announced on April 28, 2011.

Therefore, the Company determined to increase the total number of shares of common stock that the Company is authorized to issue, as set forth in Article 6 of the current Articles of Incorporation, from the current

approximately 24.11 billion shares to 48 billion shares. In accordance with such increase, the Company also determined to increase the total number of shares of capital stock that the Company is authorized to issue. The partial amendment to Article 6 of the Articles of Incorporation shall require the resolutions by each of the general meetings of class shareholders, pursuant to the provision of Article 322 of the Company Law.

Currently, amid the ongoing global discussion on the revision of capital regulations, we at Mizuho believe that we will be able to sufficiently meet the new capital regulations mainly by accumulating retained earnings and improving asset efficiency through the steady implementation of the “Transformation Program” announced in May 2010, and therefore, we do not anticipate common stock issuances for the purpose of meeting the new capital regulations at this time. Furthermore, we are not conducting this partial amendment to the Articles of Incorporation with any intention to introduce so-called “anti-takeover measures.”

In addition, a provision regarding the record date for general meetings of class shareholders will be newly established in order to enable general meetings of class shareholders to be held flexibly (Article 11 of the proposed amendments to the Articles of Incorporation).

Further, given the increasing number of shareholders, etc., and from the standpoint of securing locations where general meetings of shareholders shall be held, the deletion of Article 24 of the current Articles of Incorporation, which limits the location where general meetings of shareholders may be held, will be made in addition to the necessary amendments, including the amendment of article numbers, etc.

The specific amendments are as set forth below.
