Dear Valued Customer,

Subject: Cessation of Paper-based Remittance Application

We refer to the above caption.

In line with the Singapore government's initiative on transforming Singapore into a Smart Nation, Mizuho Bank, Ltd., Singapore Branch (the "Bank") is working to reduce the use of paper and to promote digitalization.

Accordingly, the Bank will cease to receive all paper-based remittances application (i.e. FAX, Postal Mail, E-mail and Over the Counter) for the following transactions:

- (i) Telegraphic Transfer
- (ii) MEPS Transfer
- (iii) Internal Fund Transfer

The Bank will accept paper-based remittance instruction until 28 March 2025.

As such, please use our Mizuho Global e-Banking online system (hereafter "MGeB") for all your remittances going forward.

If you have not signed-up for MGeB yet, please visit following link and provide the Bank with some basic information to apply. The Bank strongly encourages its valued customers to submit the application form earlier as it might take time to implement MGeB.

We look forward to continuing to be of service to you.

Yours sincerely,

For and on behalf of
